

5 PIECES SET FOR POLISHING

Polishing Set (50 mm) easily fitted to the 11095 arbor.
Steel wire brush for de-rusting and cleaning steel and NF metals.

Brass wire brush to polish non-ferrous metals and precious metals.

Felt wheel is used on painted surfaces.

The chamois and cotton wheels provide a high gloss finish on non-ferrous metals and precious metals, as well as paints and sliding surfaces. For use with 11095.
