

## THE ART OF WELDING

Welding, by oxy-acetylene or electric arc, is a skill in increasing demand and one of which the basics can be learned without great difficulty. In this book W. A. Vause, who spent 40 years as a welder and several as Welding Instructor at Queen Elizabeth College for the Disabled, sets out the basic techniques for oxy-acetylene welding, brazing, flame-cutting and electric arc welding with mild steel, cast iron, stainless steel, copper, brass and aluminum, etc., in sheet, plate or cast form. English, 95 pages. Format 14,5 x 21cm.
