

HEGNER MULTICUT 2S FRET SAW

The Hegner Multicut 2S, here in the fixed-speed version, is a standard scroll saw with large throat depth and aluminium table. Built in grey cast iron for stability and durability, it features a continuous-duty quality motor and a finely milled aluminium table for precise cuts. The quick-release lever makes blade changes fast and easy. Perfect for detailed work on wood, metals, plastics, and foams. **Key features**

- Robust grey cast iron frame
- Continuous-duty 100 W motor
- 45°/12° tilting aluminium table
- Adjustable blade tension with quick-release system
- Central dust extraction port Ø 35 mm

Technical specifications

- Throat depth: 460 mm
- Cutting height: 65 mm
- Worktable: 435 × 230 mm, tiltable 45°/12°
- Blade stroke: 2 options, 19 and 12 mm
- Dimensions: 610 × 280 mm
- Motor: 230 V, 100 W
- Weight: approx. 19 kg
- Max cutting capacity: softwood 65 mm, hardwood 50 mm, aluminium 15 mm, brass/silver 10 mm, iron 6–8 mm, plastics 40 mm, foams 65 mm

Instructions of usage

- Mount and secure the blade properly
- Adjust blade tension
- Switch on the motor and guide the workpiece on the tilting table
- Use the dust extraction port to keep the area clean
