

TORMEK LA-220 - LEATHER HONING WHEEL

The LA-220 Leather Honing Wheel gently removes the burr which develops during grinding and polishes the bevel. Fits Tormek T-8, Tormek T-7 and Tormek 2000. It is used together with Tormek Honing Compound PA-70. To get the highest possible sharpness on your edge tool, you finish the sharpening process by honing your tool on the Leather Honing Wheel.
