

## FUSING MOLD - PLAIN PLATE SMALL 36,5 CM

This elegant open bowl with a good base lends itself for artwork or a focal piece for a conference or dinner table. Ideal for creating large serving dish for salads, desserts etc. A similar mould that could be used with this one is the Plain Plate Extra Large diam. 45cm (958.122)  
Instead of a round and even glass shape, why not try a wavy or jagged outline.
