

FUSING MOLD - VERY GENTLE CURVE 40,4 X 40,4 X 6,8 CM

This mould is ideally suited for art work, a focal object for a coffee table or side board etc. A shape also suited for a wall or ceiling lamp.

By lining up several of these moulds sideways, you create a mould for a large wall or lighting piece or other art work. Alter the look of the finished piece by cutting the glass narrower than the mould width.
