

TEXTURE STAMPER™ W/ SPRINKLE DESIGN STAMP

This innovative tool creates unique, one of a kind textures using your metal stamps as texture heads. To use, simply insert a ImpressArt 6mm stamp into the head, tighten the handle, and stamp repeatedly. Note the Texture Stamper should not be used when a single, full impression is desired. Includes Sprinkle pattern stamp.

Create unique textures using your metal stamps
Fits all ImpressArt 6mm stamps
