

EVENHEAT BLADE FIXTURE MK2

Our MK2 Blade fixture was designed specifically to fit our KF line of knife ovens. They're well designed and provide ample space for foil inflation while being absolutely rock solid and stable. You won't have to work around these and they certainly won't fall over. They're like no other blade fixtures available.

Dimensions: 184 x 184 mm

NOTE: These will NOT fit in the KH oven line.
