

BEAVERCRAFT S15 - STARTER CHIP AND WHITTLE KNIFE SET

This new Carving Set from Beavercraft gives carvers a wide range of capabilities – from very detailed projects to roughing out the wood. The included knives will work well for your chip carving projects, carving geometric patterns, letters, freestyle patterns, shapes of any complexity, and more. Tools are honed, polished, and razor-sharp out of the package. The Ashwood handles are comfortable and ergonomic. **Key**

features:

- Carving tools are made from durable high carbon steel and razor sharpened, which allows you to cut soft and hardwood.
- Handles are made from Ashwood and covered with linseed oil.
- Leather strop with polishing compound will keep your blades razor-sharp.

This set includes:

- 1 roughing knife
- 1 detail knife
- 1 chip carving knife
- Leather strop with polishing compound
- 1 tool roll for storage, transport, and protection of the tools.
