

CRICUT ROLL HOLDER FOR SMART MATERIALS

This accessory for Cricut Maker 3 and Cricut Explorer 3 will allow to get Cricut Smart Materials™ organized and aligned for clean, precise cuts. The unique design will secure and guide your material into your Cricut cutting machine for cutting projects without a mat. A deep basin will hold Cricut Smart Material rolls from 3 to 22.8 m, this accessory attaches to your machine in seconds and includes a built-in trimmer, ensuring a straight edge from start to finish.

- Keeps rolled material aligned, for clean and precise cuts
- Built-in trimmer ensures a straight edge every time
- Fits rolls of Cricut Smart Materials™ from 3 to 22.8 meters
- For Cricut Explore® 3 and Cricut Maker® 3
