

BOOKBINDING GLUE 250 GR

Bookbinding glue, a strong adhesive for paper, card, cardboard, fabric, wood, leather etc. Rapid drying and will not show through the back of paper or fabric. Made from natural materials. **Instructions for use:**

- Add 25 parts by weight of glue granules to 75 parts by weight of cold water.
- Leave to stand for approximately 2 hours
- Then heat in a water-bath at about 50-60°C until the granules have dissolved
- Stir well as the granules melt
- The glue is now ready for use
