

DRIVE 1025 - OXYGEN CONCENTRATOR 10 LTS

This is a new oxygen concentrator, not refurbished, ideal for lampwork applications. The high capacity of 10 liters allows to obtain a warmer flame, ideal for making medium-sized objects such as medallions or large pearls. In the case of larger projects it is always possible to couple two units to obtain even more oxygen flow.

The low power consumption will allow professional users to amortize the machine in a short time.

The low weight and the wheels will also allow you to transport the machine easily, which is ideal for those who want to do demonstrations or itinerant markets.
