

## HAGERTY COPPER BRASS & BRONZE POLISH 200 ML

This polish is specially formulated to clean and care for metals such as copper, brass, and bronze. Not only does it clean objects, but it also restores their shine without causing any damage. Copper, Brass & Bronze Polish is ideal for vases, sculptures, pots, and other copper, brass, and bronze objects. The product protects objects from oxidation for weeks, keeping them shiny for longer. It is perfect for taking care of home decor and musical instruments. The treatment is quick and effective, and it does not harm the objects. The cleaning process is easy, providing almost instant results and leaving no micro-scratches or marks on the metals. Your copper, brass, and bronze objects and accessories will be clean and shiny like new. **Instructions for Use**

- Shake the bottle before use.
- Apply the polish on a cotton ball, soft cloth, or damp sponge.
- Gently rub the object and let it sit for a few minutes.
- Apply an additional thin layer and let it dry.
- Rub with a clean, soft cloth.
- If you want to maintain the aged look of the object, avoid using this product.
- For silver and silver-plated metal cleaning, we recommend trying our Silver Polish.
