

HAGERTY SILVER DUSTER CLOTH 35 X 55 CM

Cleans and takes care of silver and silver-plated metals. Allows quick and daily maintenance of precious jewelry without damaging it. The impregnated cloth makes jewelry shine again. Thanks to its impregnated cotton, Silver Cloth makes silver or silver-plated oxidized rings, bracelets, and other jewelry shine. The cloth protects, removes dirt from pins, necklaces, earrings, and any other precious item, polishing faded and oxidized silver. The treatment is quick, effective, and does not damage the jewelry. Cleaning is simple, provides instant results, and leaves no micro-scratches or marks on silver and silver-plated metal. Jewelry returns clean and shiny. Dimensions: 30 x 36 cm

INSTRUCTIONS FOR USE

- Gently rub the jewelry with Silver Cloth.
- Do not wash Silver Cloth.
- When the cloth surface is completely black, replace it.

The impregnated 100% cotton fabric complies with STANDARD 100 by OEKO-TEX®. For a deeper cleaning, pair with **Silver Clean**.
