

MOBY SIGNATURE PLUS NUMBER SET 6 MM

Introducing Moby, a set of enchanting and stylized letter and number stamps, featuring a 6mm serif font, named after the famous whale tale. This captivating series is enriched with intricate nautical designs, artistically inspired by the adventurous lives of sailors and the fascinating aesthetics of vintage maritime tattoos. With the ImpressArt Moby alphabet, you can add a touch of timeless elegance and maritime charm to all your handmade projects. **Key Features**

- ImpressArt Signature metal stamps are professional-quality stamps, crafted to the highest standards for durability and alignment.
- The stamps are made of tempered steel and are suitable for stamping on soft and hard metals, including stainless steel*.
- The sharp character edges ensure crisp and deep impressions project after project.
- The characters are marked on the side of the stamp for easy identification and orientation.
- Each set of letters and numbers comes in a patented ImpressArt case.
- The case features labeled compartments for each stamp to keep them organized and easily accessible.

Specifications:

- Size: 6mm
- Includes numbers 0 to 8 (the 6 can be used to stamp the 9)
