

IMPRESSART BRACELET STAMP STRAIGHT JIG

The Impressart bracelet template makes it easy to align and use stamps neatly on bracelet strips.

- Compatible with ImpressArt 6.5mm and 9.5mm bracelet strips, as well as 3mm and 6mm stamps.
- The magnetic support can be used with the included Steel Block or any other Steel Printing Block measuring 100 x 50mm or larger.

Includes:

- Magnetic bracelet template
- 2 x 6.5 x 150mm Aluminum bracelet strips
- 2 x 9.5 x 150mm Aluminum bracelet strips

How to use:

- Insert the bracelet into the corresponding space.
- Hold the stamp in the channel.
- Use the guide marks to space the engravings.
