

## IMPRESSART RING STAMP STRAIGHT JIG

The Impressart ring template makes it easy to align and use molds neatly on ring blanks.

- Compatible with 6.5mm and 12.7mm ImpressArt ring blanks, as well as 3mm and 6mm molds.
- The magnetic support can be used with the included steel block or any other steel stamping block measuring 50 x 50mm or larger.

### Includes:

- Magnetic ring template
- 2 x 6.5 x 50mm aluminum ring blanks
- 2 x 12.7 x 57mm aluminum bracelet strips

### How to use:

- Insert the ring into the corresponding space
- Hold the mold in the channel.
- Use the guide marks to space the engravings
