

## SET OF 6 RIBBON TOOLS + 6 MODELLING TOOLS

The **Set of 6 Ribbon Tools and 6 Modeling Tools** is perfect for sculpting clay, plasticine, and other modeling materials. The ribbon tools feature acrylic handles and stainless steel wires for clean and precise cuts, while the modeling tools are made from durable ABS material. This complete set is ideal for students and schools, providing the necessary tools to explore creativity in plastic arts.

Key Features:

- **High-quality materials:** The ribbon tools come with acrylic handles and stainless steel wires, ideal for achieving sharp and precise cuts. The modeling tools are made from durable and lightweight ABS material.
- **Dimensions:** The ribbon tools measure 200 mm in length, making them perfect for detailed work, while the modeling tools are 165 mm long, ideal for shaping and refining surfaces.
- **Versatile use:** Perfect for working with clay, plasticine, wax, and other sculpting materials. Ideal for sculpting, cutting, smoothing, and shaping with ease.
- **Complete set:** Includes 6 ribbon tools for carving and refining intricate details and 6 modeling tools for cutting and shaping, providing a wide range of tools for every stage of the creative process.
- **Perfect for students:** Designed for classroom use, this set is ideal for art lessons and sculpting workshops, providing a practical and fun learning experience.

Why choose this set of ribbon and modeling tools?

- **High precision and control:** The stainless steel ribbon tools offer excellent precision for clean cuts, perfect for detailed work. The ABS modeling tools are great for shaping and smoothing surfaces.
- **Quality and affordability:** Made from high-quality materials, this set is accessible for schools and students, ensuring durability and functionality over time.
- **Easy to handle:** The ergonomic size and lightweight materials make the tools easy to use and handle, perfect for students and beginner artists.
