

MARABU TEXTIL LINO PRINTING SET FOR FABRICS

Marabu Textil Soft Linol Print & Colouring Set introduces beginners to fabric relief printing. The soft rubber plate is easy to carve and transfers the water-based ink directly onto fabric, creating mirror-image motifs. The included transparent watercolours allow creative colour additions. Washable up to 40 °C, saliva-resistant and soft to the touch after heat fixing. **Key features**

- Direct relief printing on fabric
- Soft, easy-to-carve printing plate
- Water-based, washable and safe colours
- For light fabrics up to 20 % synthetic
- Heat fixing by iron or oven
