

PEARL CARE KIT

The Pearl Care Kit is designed for gentle and effective pearl cleaning, helping to preserve their natural beauty and luster over time. It is ideal for the regular maintenance of pearl necklaces, earrings, bracelets and pearl jewelry, both for professional and home use. **Content**

- Wet tissues for pearls (4 sheets)
- Microfiber cloth (1 sheet, 17.5 × 12.5 cm)

The wet tissues are pre-soaked with a specific pearl cleaner, ready to use and suitable for removing dirt, residues and fingerprints without damaging the pearl surface. The microfiber cloth gently polishes the pearls after cleaning, restoring their natural shine. **Instructions of usage**

- Gently wipe the pearl surface with a wet tissue
- Allow to dry briefly
- Polish with the microfiber cloth
