

ROTARY TUMBLER TUMBLE BEE 230 V

The Black Tumble Bee 3 is a rotary tumbling machine equipped with two 3 lb barrels (≈ 1.36 kg each), designed for grinding and polishing stones, glass, and for deburring small metal components. Suitable for hobby users, schools, and small workshops, it enables parallel processing or multi-stage finishing. Powered by a 70 W motor for reliable continuous operation. CE certified. **Key features**

- Dual 3 lb barrels for simultaneous processing
- Powerful 70 W motor
- Non-slip drive belt
- Thermal overload protection
- On/Off switch with indicator light
- Shielded moving parts for added safety

Technical specifications

- Power supply: 230 V / 50 Hz
- Motor power: 70 W
- Capacity: 2 \times 3 lb (≈ 1.36 kg each)
- Dimensions: approx. 38 \times 15 \times 16 cm (including barrels)
- Weight: approx. 3.3 kg
- Certification: CE
- Supplied with: 2 rubber barrels, light oil, 3/64" Allen key, instruction manual
