

999 PURE SILVER FLAT WIRE

Flat wire made of 99.9% pure silver, designed for jewelry making and artistic enameling applications. Its high malleability allows precise shaping and easy handling. Available in widths from 1 to 6 mm and thin thicknesses from 0.1 to 0.2 mm, it offers excellent versatility. The 1 mm width version is particularly suited for Cloisonné technique. Can be fired together with Art Clay Silver 999.
