

MICROMOSAIC - GLAZED CERAMIC MOSAIC TILES

Discover our patented pre-engraved glazed ceramic tile product, Made in Italy

Our innovative ceramic tiles are designed to simplify the process of creating high-quality mosaics, including micromosaics. They measure 70 x 70 mm with a thickness of 1.5 mm, and thanks to the pre-engraving, it is possible to obtain different shapes and sizes, including:

- Rectangles starting from 3 x 6 mm
- Squares starting from 2 x 2 mm
- Equilateral triangles starting from 6 mm in length

These versatile tiles can be easily adapted to any desired shape with minimal effort, offering infinite creative possibilities for your mosaic projects. The range of tiles is composed of approximately 40 colors, including exclusive shades of Gold and Platinum, which add a touch of luxury and sophistication to your creations. Our pre-engraved glazed ceramic tiles are perfect for both beginners and mosaic professionals, as they can be easily cut into small tesserae without the use of special pliers or mechanical means. Take your mosaic art to the next level by experimenting with a wide range of colors and creating beautiful micromosaics. Purchase our made in Italy pre-engraved glazed ceramic tiles now!
