

## MARABU GLITTER PEN

Water-based colour with glitter effect, for particularly brilliant decorations. Thanks to the practical dispenser spout, it can be applied directly from the tube. Suitable for paper, cardboard, wood, stone, textiles. Washing resistant up to 40°C. **Key features**

### Key features

- water-based
- special effect multi-purpose colours
- suitable for paper, cardboard, wood, ceramics, glass, textiles (max. 20% artificial fibres)
- ideal for embellishments, lines and ornaments

### Instructions for use

- Make sure that the paint surface is clean and free of dust.
- Drying time approx. 6 hours after application of the varnish.
- For fabrics (cotton and mixed fabrics with a maximum of 20 % artificial fibres), any finishes and softeners must be washed out. Press the liner lightly into the fabric.
- After drying, iron with a thin cloth for 3 minutes on the cotton setting.
- The liner should be ironed on the cotton setting.
- Large designs should be ironed for 3 minutes on each 30 x 30 cm section.
- Also suitable for fixing in the oven (8 minutes/150°C).
- Check first the heat resistance of the surface to be painted!
- Washable up to 40°C.
- Wash and iron inside out
