

## NABERTHERM KILN NW 150

The Nabertherm NW 150 pull-out-drawer kiln (150 L) offers three-side loading and five-side heating up to 1300 °C, delivering professional uniformity for stoneware, porcelain and glass. A rugged stainless body, energy-efficient insulation with Solar Mode, and the AC590 6.8-inch touchscreen with MyNabertherm app provide fast cycles, smart control and long-term reliability.

### Key features

- Pull-out drawer for three-side loading
- Uniform five-side heating
- Easy-service support-tube elements
- Protective SiC hearth plate
- MyNabertherm app & Solar Mode

### Technical specifications

- Chamber volume 150 L; max temperature 1300 °C
- AC590 controller: 6.8" touchscreen, 50 programs, 40 ramps, Wi-Fi/USB
- Active ventilation for quick cooling
- Dual-layer CLP-safe insulation
- Kiln furniture set sold separately
