

## NABERTHERM KILN NE 40

The Nabertherm NE 40 chamber kiln pairs a compact design with professional performance: recessed elements inside brick grooves deliver even heat, while adjustable air vents speed cooling. Perfect for ceramics, glass or porcelain decoration and small fusing jobs, it cuts energy use with optimised insulation and Solar Mode, all managed via the AC590 touchscreen. **Key features**

- Protected recessed heating elements
- Dual-side heating for uniformity
- Continuously adjustable air intake & Ø80 mm exhaust
- Energy-saving insulation with Solar Mode
- Remote monitoring via MyNabertherm app

### Technical specifications

- AC590 controller: 6.8" touchscreen, 50 programmes, 40 ramps, Wi-Fi/USB
- Adjustable air inlet and side exhaust
- Non-carcinogenic insulation, short cycles
- Benchtopy version, optional stand
- Kiln furniture set sold separately
