

CANDLE FRAGRANCE OIL - CAMELISED LYCHEE

Discover the sophisticated sweetness and exotic delight of Caramelized Lychee, a candle fragrance that transforms any environment into an olfactory paradise.

This sensory creation is designed to envelop your senses in a warm and embracing hug, combining fruity, spicy, and sweet notes. An explosion of vibrant and fruity freshness, thanks to notes of Pink Pomelo, Tangerine, and Lychee. These fruity accents provide an initial sensation of vitality and freshness, perfect for awakening the senses. Warm and spicy Cinnamon Bark blends with delicate Moroccan Rose and juicy Raspberry. A harmonious balance between sweetness and spices evokes a sense of luxury and romance. The base notes provide a rich and enveloping depth, leaving a lasting and deliciously sweet impression that lingers in the air. **Key Features:**

- Suitable for both paraffin and natural waxes
- Long-lasting, with excellent performance both when the candle is lit and unlit
- Even combustion and excellent chemical stability
