

REMBRANDT SOFT PASTEL SET FULL SOFT PASTELS

Rembrandt Full Soft Pastel Set

Rembrandt soft pastels have been the world's most commonly used pastels for many years. Each color in the extensive range is made according to a unique formula. The raw materials used for each new batch undergo very strict quality control. Rembrandt soft pastels are based on the purest types of kaolin and high concentrations of premium-quality pigments that offer the highest degrees of lightfastness.

Key Features

- Full, vibrant, and pure soft pastels, available in sets of 15, 30, or 45 colors.
- Made with high concentrations of premium-quality pigments
- Offer excellent color transfer and the highest degree of lightfastness
