

REMBRANDT CARRE PASTEL SETS

Rembrandt Carré Pastel Set

A centuries-old tradition of using natural materials such as chalk, china clay, and colored earth is honored by Rembrandt carré pastels. The carré pastels are an exclusive range of eighteen traditional colors, namely earth tones, greys, white, and black. The raw materials are the same as those for Rembrandt soft pastels but applied in a different ratio. This makes carré pastels less soft and ideal for sketching.

Rembrandt Carré Pastels

- Vibrant and pure carré pastels, available in a range of traditional colors
- Available in sets of 6, 12, or 18 pastels
- Made with natural materials such as chalk, china clay, and colored earth
