

## WINSOR & NEWTON LIQUIN ORIGINAL

The **Winsor & Newton Liquin™ Original** is a go-to medium for both professional and amateur artists who want to speed up drying times and enhance the flow of oil paints. Perfect for working with multiple layers, this medium makes oil painting more manageable while cutting down the wait time between stages.

Key Features:

- **Fast drying:** Reduces drying time by half, allowing the paint to be touch-dry in 1-6 days depending on the color and film thickness.
- **Minimizes brush stroke retention:** Smooths brushstrokes, perfect for achieving a polished and even surface.
- **Easy to work with:** Creates a gel-like paint film that makes oil paints easier to handle.
- **Ideal for layering:** Enables quicker layer build-up, enhancing efficiency during the creative process.
- **Resists yellowing:** Ensures long-term durability by preventing the yellowing of the paint.
- **Not suitable as a final varnish:** Should not be used as a final coat or protective varnish.

Why choose Winsor & Newton Liquin™ Original?

- **Time-saving:** Perfect for artists who want quick results without compromising the quality of their artwork.
- **Professional finish:** Its unique formula offers a smooth and refined finish, ideal for high-quality projects.
- **Trusted by artists:** Winsor & Newton is a leading brand known for its quality art supplies and tools.
