

REFRACTORY KILN FURNITURE SETS - SQUARE AND RECTANGULAR

Square or Rectangular Refractory Shelf and Spacer Sets Here you will find our square or rectangular refractory shelf sets, ideal for front-loading or top-loading kilns.

- Includes 1 or more cordierite shelves.
- Resistant to temperatures up to 1300°C.
- Each set comes with 50 or 100 mm spacers.
- Typically, 3 spacers are placed between each shelf.
- High-quality shelves made in Europe.
- Suitable for kilns with a square or rectangular base.
- Perfect for firing ceramics, glazes, or bisque pieces.
- If you are unsure which set fits your kiln, contact us with your kiln's internal dimensions, and we will advise you on the right product.
