

NABERTHERM KILN TOP 160

The Nabertherm Top 160 electric kiln is a 9 kW three-phase unit with a 160 L chamber that fires to 1320 °C for high-fire stoneware and porcelain; perfect for studios and schools, it combines recessed coils, low-loss ceramic-fiber insulation and lockable wheels to deliver professional results at an unbeatable price-performance ratio. **Key features**

- Recessed heating elements for uniform heat
- Firebrick + ceramic-fiber lining for low heat loss
- Certified non-carcinogenic materials
- Easy-clean stainless-steel shell
- Embedded thermocouple for precise control
- Lockable wheels for easy movement

Technical specifications

- Power supply: 400 V, 3-phase, 9 kW, red CEE plug
- Chamber volume: 160 L
- Maximum temperature: 1320 °C (recommended \leq 1280 °C)
- Controller: AC590, 6.8" touchscreen, 50 programs, Wi-Fi "Conny"
- Construction: firebrick + ceramic-fiber; stainless shell; lockable wheels
- Accessories: kiln furniture set sold separately
