

NABERTHERM KILN NW 200/H

The Nabertherm NW 200/H chamber kiln features a three-side pull-out drawer, 200 L capacity and a 1340 °C peak for professional stoneware, porcelain and glass firings. Five-sided support-tube heating ensures even temperatures, while Solar Mode and the MyNabertherm app cut energy use and simplify monitoring. **Key features**

- Pull-out drawer, 3-side access
- Even five-sided heating
- Service-friendly tube elements
- Protective SiC hearth
- Double CLP-free insulation
- Solar Mode & MyNabertherm

Technical specifications

- Power supply: 400 V 3-phase, ~12 kW
- Chamber volume: 200 L
- Max temperature: 1340 °C (continuous ≤ 1230 °C)
- Heating: 5 sides; pull-out drawer
- SiC hearth; double insulation
- Controller: AC590 6.8" touch, 50 programs, Wi-Fi/USB
