

PASTELMAT - DRAWING PADS IN ASSORTED COLOURS

Pastelmat® pads give pastel artists new creative possibilities thanks to a unique surface that grips pigment more effectively than Ingres papers while being less abrasive than sanded papers. Each pad contains 12 sheets in assorted colours, with variable formats, and includes glassine interleaving sheets to protect artworks from smudging and pigment transfer. **Key features**

- Organic velvety surface made from cellulose fibres
- Excellent pigment adhesion for vibrant colour results
- Ideal for blending, layering and fine line work
- Produces significantly less dust than sanded papers
- Suitable for pastel techniques and mixed media

Technical specifications

- Format: pads with 12 sheets
- Colours: assorted
- Surface: Pastelmat® velvety, non-abrasive
- pH: neutral, acid-free
- Interleaving: protective glassine sheets
