

SPATOLE DA PITTURA RGM PLUS

RGM Plus Line painting knives, Made in Italy, designed to deliver professional quality and reliable performance. The special electrolytic protection enhances blade functionality and paint spreadability, making these knives suitable for any painting requirement. The polished finish ensures smooth application and control, while the dark brown wooden handle with brass ferrule provides balance, strength, and comfort during use. The stated measurements refer exclusively to the steel blade dimensions. Painting knives are available individually or in sets of 6 supplied in a practical plastic case.
