

ABIG LEVER PRINTING PRESS

The manual lever printing press is designed for lightweight relief block printing on linoleum and wood. The lever system delivers even pressure across the plate for consistent results. The adjustable pressure plate allows use with blocks up to 30 mm thick, making it suitable for schools, studios and workshops.

Key features

- Manual lever system for controlled pressure
- Ideal for linocut and woodcut
- Adjustable for blocks up to 30 mm
- Compact and stable construction
- Available in two sizes
