

FABRIANO TIEPOLO - FINE ART PRINTS PAPERBOARD

Fabriano Tiepolo is a 100% cotton printmaking paperboard, mould made according to the Italian papermaking tradition. Suitable for engraving, lithography, silk-screening, woodcut and linocut, it ensures excellent detail definition and long-lasting stability thanks to its neutral pH and Long Life ISO 9706 certification. **Key features**

- 100% cotton, museum-quality
- Natural grain surface
- Original Fabriano watermark
- Deckle edges (4 or 2 depending on size)
- Acid free for archival permanence
