

BORCIANI E BONAZZI SERIES 45/S FLAT SYNTHETIC ORO FINE SHORT HANDLE BRUSH

Borciani e Bonazzi series 45/S standardino brush in fine gold synthetic fibre, with short terracotta-red lacquered wooden handle, gold end and nickel-plated brass ferrule. Soft, light and elastic, it is suitable for watercolour, acrylic, oil, decoration, restoration and ceramics. The long, full fibre allows delicate, mark-free blending and is designed as an alternative to extra-fine ox hair. **Key features**

- Extremely soft, elastic and lightweight fine gold fibre
- Ideal for light blending and smooth, mark-free applications
- Synthetic alternative to extra-fine ox hair
- Short, manageable handle for small and precise work
- Excellent colour and glaze loading and release
- Flat tip-protection tube included
