

NATURAL STONE MOSAIC TILES

Discover our exclusive natural stone mosaic tiles, perfect for adding a touch of elegance and sophistication to your artistic projects. These tiles are carefully and precisely hand-cut, offering indicative dimensions of 10 x 20 x 5-6 mm. As they are handmade, the dimensions may vary slightly, giving each tile a unique and authentic character.

Our natural stone mosaic tiles are available in a range of fascinating colors, including statuary white, botticino, trani yellow, laguna green, bay blue, and china black. This variety of shades allows for harmonious compositions and attractive contrasts, perfectly fitting any style or design.

With an indicative yield of 14 kg/sqm, these high-quality tiles are ideal for both amateur and professional mosaic projects. Be inspired by the natural beauty of stone and create unique and lasting masterpieces with our natural stone mosaic tiles. Buy now on Hobbyland and start bringing your artistic vision to life.

ATTENTION: the stone is 100% natural therefore the color represented may vary
