

VAN GOGH ACRYLIC PAINTS

Van Gogh Acrylic Colours

Van Gogh acrylic colours are made with high-quality pigments under superior Dutch quality standards. The paint can be used straight from the metal tube, or thinned with water. Due to the short dry time, it is easy to paint layer upon layer quickly. The heavy-body paint has high pigment load for strong, intense colours for working with artist brush or palette knife. These student-artist grade acrylics have lightfastness ratings of good (25-100 years under museum conditions) to excellent (100+ years under museum conditions).

What are Acrylic Colours and Why Choose Van Gogh Acrylics?

Acrylic colours are versatile paints known for their fast drying times, which allow artists to layer paint quickly without waiting for long drying periods. These paints can be used on a variety of surfaces including canvas, paper, wood, and more. They are water-soluble when wet but become water-resistant when dry, making them ideal for mixed media applications. Van Gogh acrylic colour is made with high-quality pigments under superior Dutch quality standards. This student-artist grade acrylic paint can be used straight from the metal tube, or thinned with water. Due to the short dry time, it is easy to paint layer upon layer quickly. The heavy-body paint has high pigment load for strong, intense colours for working with artist paint brush or palette knife. Van Gogh acrylic colour is available in 40 colours and sets.
